Thank you, Kathy. (b) (6) also on the Trump Transition DC Team, would like to join the walkthrough. Is there a scheduled time to meet or do we go over on our own?

Jonah, (b) (6) and Desiree ---

I provided the names of the staff that will be located at One Potomac Yard to the head of the EPA security office. You will need to provide your driver's license and they will clear you and provide an access card for the turnstiles. We can work on this as you start coming to the building on a regular basis.

Here is the mailing address. This is the lessor's address. They recommend using this address because the building is not occupied because of the pandemic.

2733 South Crystal Drive, Suite 100**Arlington, VA 22202 | USA***** Attn: 12th Floor/Name**

You can decide what name to insert and we can provide to the lessor.

Thank you, Kathy
